A GOAL WITHOUT A
PLAN
IS JUST... A WISH

Turn your goals into reality.
It's time to make a plan!

Landing Page - Light Mode

(frontend script to change the theme)

* sidenote is all applicable scrollbars would change color to theme as well as anything that makes sense, for aesthetics.

This is both the landing page as well as a 'logout' page.

No logout page is necessary in my opinion.

Rather than push the user to separate pages, the Login, Register, Forgot Password, and Reset Password pages can be a modal 'popup' via a combination of HTML, CSS (w/ Bootstrap), & JavaScript.

Perhaps won't be able to do it with as many pages, but would like to think I can at least give it a shot.

Stopped doing a theme for every page. Getting too time consuming. The point has been made.

Example Vision Board page. Early stage idea; will skip and focus on To-Do List first.

Would rather focus on the simple side of the project until I better understand how to implement this side.

Not to mention the amount of time that will be needed to setup the combination of multiple theme colors, modal pages, OAuth integration maybe and whatever other stuff I try out. Just the To-Do List alone will take a while. I'll purposely leave the Vision Board section as a to-do for much later.

The screenshot shows the 'Canvas Your Goals' web application. At the top, there are navigation icons (back, forward, search) and a URL bar with the address <https://canvas-your-goals.com/vision-board>. The main header features the title 'Canvas Your Goals' with the subtitle '"Forward the Foundation" - Hari Seldon' and a logo of a smiling face holding a paintbrush.

The top navigation menu includes links for 'Vision Board', 'To-Do List', 'Settings', and 'Logout'. There are also three theme buttons: 'Light' (pink), 'Dark' (purple), and 'Calm' (light pink).

The main content area is titled 'Julian's Vision Board'. On the right side, there is a sidebar with several sections:

- Options:** Includes 'Import' (checkmark icon), 'Export' (up arrow icon), 'Upload' (image icon), and 'Share!' (person icon). In the center is a preview image of a sunset over water, framed by a window-like border.
- Addons (Drag & Drop):** A calendar for February 2021 showing days from 1 to 28. The 27th is highlighted with a blue border.
- Places:** A map of the southern United States with a focus on Texas. The city of San Antonio is marked with a black dot. Labels include 'LOUISIANA' and 'TEXAS'.
- Shapes:** A section containing various geometric shapes: a red X, a white rectangle, a white circle, and a black double-headed arrow.
- Drawing:** A section featuring a series of thick, dark, wavy horizontal strokes.

At the bottom of the page is a toolbar with icons for text styling (bold, italic, underline, strikethrough, font size), alignment, and other editing functions.
